Hi Crystal Braxton,

Please follow step:

- Download Grammy (pack 2) >> Install it. Close VCSD before install Grammy (Pack 2)
- Install Grammy (pack 2) is successful >> Open VCSD.
- Before you open Parody Mixer to use Grammy (Part 2) >> You have to Open Parody Maker in man Panel.
- In Parody Maker >> Click on record button >> Input your voice >> Save it.
- Go to Tree of Parodies >> Check on Grammy\_2 >> Select Parodies you like >> Close
- Return mail panel >> Turn on Parody Mixer and use it

Thanks.
