

Can't change text size!

Posted by Larry - 28 Jul 2011 19:15

Why can't I change the text size of the lyrics? I change the size in the settings, and yet the size on the video DOES NOT change at all. Can anyone explain this to me???

Hello Larry,

We all know that is a limitation in this very first version of Video Karaoke Maker. Hope it will be better in the next version.
