

AVTube not recognizing Youtube page

Posted by Paramesh - 12 Apr 2013 19:36

When I click Analyze, I get the message "Clip page seems not Youtube video page";

=====

Hi Paramesh,

We recommend you update to the latest build of AV Tube for bugs fixed and better performance.

Download here: dvd-player.audio4fun.com/free-video-downloader.htm

Thanks for your interest in our products.
