[support.audio4fun.com/tutorials/av-voice...ger-software-diamond](http://support.audio4fun.com/tutorials/av-voice...ger-software-diamond)

Above address.

I was set equal to that

But I failed parody voices

Need help.

Screenshot attached.

Hi Lee Choongsik,

- According to your figure>> May be you create a new parodies but you don't active it.

- You can go To Parody Maker again >> Go to Tree of Parodies >> Drop down Default list >> Check on parodies you have just created (Your parodies is in last position)

Thanks.
