Well, I'd certainly like to know where to find the Serial Number and why the hell this company has made things so freak'n difficult?

You have my money, I paid for a product, not another forum.

c'mon... cough up a reasonable explanation. 😊

Hello, the Serial Number is always sent directly to your email address. So, plz make sure that the email from the following domains is not in your spam list: [www.audio4fun.com](http://www.audio4fun.com), [www.audio4fun.net](http://www.audio4fun.net), [www.musicmorpher.com](http://www.musicmorpher.com).

Otherwise, via this support center, you can just simply log in and click on the Your License link on the left panel.
