

HELP!!!!

Posted by Eric Ko - 20 Dec 2011 07:39

i bought the program yesterday. when i open th eprogram, it is not working at all. The microphone becomes no sound and also the Duplex botton can not turn ON. please help to solve this problem.

thank you very much~!

P.S. how to update this program?? When i want to update, all i can do is download the trial version????
