

## Parody examples?

Posted by alex - 10 Feb 2012 07:05

---

I purchased this product to morph my voice into celebrity voices but it seems like that idea is too good to be true for this product. Over the past two days I have tried to change my voice into female and male politicians but have not come close to matching my voice to any of the parody characters. does anyone have an audio sample or youtube sample of doing a successful parody?? is this even possible?

=====

Hi Alex,

Have you tried following the below link:

[support.audio4fun.com/tutorials/av-voice...ger-software-diamond](http://support.audio4fun.com/tutorials/av-voice...ger-software-diamond)
