

Requesting License reset

Posted by Ruochao Han - 28 May 2014 03:22

Hi support team,

I just installed the software to my win7 32 pc, because i installed to my win7 64 once and it doesn't work on win 7 64, and i need to do license reset asap, thx~

Hi Ruochao,

Your license was reset. You can now use it on your new computer.
