

Voice Changer 9.0 Diamond For Discord Help

Posted by Adrian Aquino - 16 Oct 2016 04:05

So I bought this program to work on Discord and it did work but now it's not working is there a solution? I followed this guide from your site support.audio4fun.com/discussion-forums/...tware-a-av-voizgame- even tho it's a guide for version 8.0 it still work on my 9.0 but now its not wondering anyone found a way to make this work? Please help I'll very much appreciate it! Thank you.
