

offline activation

Posted by Andrew Sprott - 13 Feb 2014 05:09

Do you have a method in place to activate my copy of music morpher 5 gold offline as the netbook I want to install is never online.

TIA

Andrew

Hi Andrew,

Internet connection is a must to complete the activating process.

Can you please connect your netbook to a network for just 2-3 minutes to finish activating.

To use the program later on, Internet connection is not required.
